

April 25, 2024

AESQ Supplier Forum Attendees:

The Aerospace Engine Supplier Quality Consortium of SAE is holding a Supplier Forum in Tokyo, Japan, on April 25, 2024.

If you need to apply for a temporary non-immigrant visa to attend an SAE International meeting in the United States, you are advised to apply for your visa as soon as possible and no later than 3-4 months in advance of the meeting date. If you require a visa to attend an SAE International meeting outside the United States, please refer to the visa rules of the host country to determine the applicable visa requirements and the suggested timeframe for submitting your visa application. You can submit SAE International meeting information, such as the name, dates, location, and purpose of the meeting, with your visa application.

SAE International cannot intervene with, or call or send personal letters to, the State Departments, Embassies or Consulates of the United States or other government on behalf of any meeting participant. U.S. visa information, including required documentation and fees, can be found on the U.S. Department of State's website at <http://travel.state.gov/content/travel/en.html>.

If you have any questions regarding this meeting, please do not hesitate to contact me.

Respectfully,

Rebecca Lemon
AESQ Industry Program Manager
