

SAE J3300 Driving Level Examination Testing Summary

Test Code	Test Purpose	Maneuvers	Vehicle Type
DL1.1	Forward maneuverability	Sub-limit slalom	Mid-size sedan
DL1.2	Reverse maneuverability	Straight and 90-degree back in	Mid-size sedan
DL1.3	Road navigation	Chauffeur pace maneuverability	Mid-size sedan
DL1.4	Emergency braking	Full braking with ABS engagement	Mid-size sedan
DL2.1	Skid recovery	Induce and correct drift	Rear-slip set-up
DL2.2	Test maneuver	Sub-limit lane change	Mid-size sedan
DL2.3	Sub-limit control and attentiveness	Sub-limit maneuverability and reaction to visual trigger	Mid-size sedan
DL2.4	Emergency braking	Full braking with ABS engagement	Mid-size sedan
DL2.5	Reverse maneuverability	Straight and 90-degree back in	Mid-size sedan
DL3.1	Steady-state yaw control	Induce and hold drift	Rear-slip set-up
DL3.2	Near limit control	Near-limit maneuverability	Mid-size sedan
DL3.3	Near limit control	Low rear grip maneuverability	Rear-slip set-up
DL3.4	Emergency braking	Full braking with ABS engagement	Mid-size sedan
DL3.5	Reverse maneuverability	Straight and 90-degree back in	Mid-size sedan
DL3.6	Sub-limit control and attentiveness	Sub-limit maneuverability and reaction to visual trigger	Mid-size sedan
DL4.1	Transient yaw control	Continuous drifting in circles and figure 8	Rear-slip set-up
DL4.2	Limit pace and safe bail out	Progressive build to limit and safe bail	Perf RWD ESC off
DL4.3	Limit pace with high consistency	Limit pace with high consistency	Perf RWD ESC off
DL4.4	Reverse maneuverability	Straight and 90-degree back in	Mid-size sedan
DL4.5	Sub-limit control and attentiveness	Sub-limit maneuverability and reaction to visual trigger	Mid-size sedan
